The Pit River Tribe is a Tribe comprised of eleven (11) autonomous bands that since time immemorial have resided in the area known as the 100-mile square, located in parts of Shasta, Siskiyou, Modoc, and Lassen Counties in the State of California.

### **Job Announcement**

Position Job Description: Laborer-Noxious Weeds Project  
*2 positions to start*

Department: XL Ranch/Tribal Administration

Reports To: XL Ranch Coordinator

Status: Seasonal-not permanent

Annual Salary Range: \$13.00-\$15.00 DOE *does not include benefits*

#### **Summary:**

This project is to encourage interested State and local governments and Federal agencies along with Tribal Governments to work together to inventory, manage, educate, reduce the spread of, and prevent the further invasion and establishment of noxious, invasive weeds, and other species. These entities will develop and implement Integrated Pest Management Plans to develop and implement projects that foster consultation and cooperation among stakeholders, interested parties, and the public and to organize, finalize, and develop projects to implement integrated pest management plans for invasive species within a specific geographic area.

#### **Essential Duties and Responsibilities:**

You will be working with a Noxious Weed mitigation team. The noxious weed program is currently awarded to the Pit River Tribe from the BIA and the contracts projects contracts are seasonal. The work typically involves traversing land within the Tribes boundaries and spraying invasive and noxious plants to prevent their over-development. The objective is to protect agricultural operations and mitigate the possibility of over-growth being leading to fires.

#### **Key Skills and Knowledge:**

- Ability and experience to identify noxious weeds and determine what are native plants and what are not
- Ability to drive a truck and pull a trailer
- Ability to operate UTV in a safe manner
- Ability to mix noxious weed chemicals, safely use, chemical certification is a plus

- Ability to work in Northern California climate
- Ability to work in touch terrain
- Have the ability to work effectively with Native American team in a culturally diverse environment.

**Qualifications:**

- Have good time management skills, be at work on time and be able to work under stressful conditions.
- Have the capability to mix chemicals that kill weeds
- Have the ability to establish and maintain good working relationships with the public, employees, and agencies.
- Have the ability to follow written and oral instructions, chain of command
- Daily to be able to wear a back pack sprayer and do shovel work
- Daily wear long sleeve shirts, long pants, work boots, gloves and eye protector
- Daily pack lunch and plenty of water

**Requirements:**

- ✚ Must possess a California driver's license, a good driving record, and be insurable by the PRT insurance carrier.
- ✚ Adhere to all PRT policies
- ✚ Must successfully pass a pre-employment drug and alcohol screening and be willing to submit to a background check.

**Indian Preference:** Preference will be given to qualified Native American's under the Federal Indian Preference Act (43 CFR 17.3 (d)). Pit River Tribal membership preference, Applicants claiming Indian Preference must submit verification of Indian certification by tribe or affiliation or other acceptable documentation of Indian heritage. This position requires an awareness and deep appreciation of the Pit River Tribe Indian Tradition, customs and socioeconomic need. It requires the ability at all times, to meet and deal effectively in contacts with Indian people and organizations. This requires tact, courtesy, confidentiality, discretion, resourcefulness and good judgment in handling sensitive issues.
