## Miscellaneous Youth Activity Scholarship application K-12<sup>th</sup> grade students

The purpose of this scholarship is to assist with educational associated costs that cannot be covered by the parents/guardian of the student, other scholarships, or other tribal entities. The award amount is not to exceed the actual cost of a youth activity or the maximum award amount of \$500.00. Students may apply once per year. Checks will be made directly to the vendor. Funds are limited and those applying must be in good standing with the PRT and submit and/or meet the following requirements:

- **Complete application** – Application **MUST** be complete to be considered for funding.
- **Enrolled Pit River Tribal Member** – Include verification of Pit River Tribal enrollment
- **Class/Program/Event/Activity Registration and/or request details** – Include verification of activity registration and/or youth activity details
- **Activity cost** – Include complete breakdown of all associated youth activity costs.
- **Need** – Applicant must need financial assistance that cannot be met by any other source.
- **Returning students** – Students previously funded by the PRT Education Department must submit grades from previous semester. In addition, they must maintain a “C” or better GPA or will be subject to academic probation, which may affect student’s eligibility for future funding opportunities.
